## Crestline Community Cleanup Planned

**CRESTLINE** – Residents can dispose of used tires and old electronic equipment for free during a Community Cleanup from 8 a.m. to noon on Saturday, June 23 in the parking lot of the Leisure Shores Senior Center located at 24658 San Moritz Dr.

Second District Supervisor Paul Biane as well as County Code Enforcement and Solid Waste are hosting the Community Cleanup.

“I’d like to remind residents that all of the tires and electronics collected at this event will be reused in some way,” Biane said. “Residents aren’t just getting rid of their junk; they are helping divert trash away from our landfill.”

E-Cyclers of Upland will collect used electronics such as television sets, computer monitors, telephones, and stereos for recycling. Tires collected at the event will be used as an alternative fuel at a local cement plant.

Tires can be no larger than 11 inches by 25.5 inches, and rims must be removed. Residents who plan to bring 10 or more tires must make prior arrangements by calling (909) 387-0289.

Hazardous materials such as paint, weed killer, motor oil and pesticides will not be accepted. Residents can dispose of hazardous materials during an event from 9 a.m. to 2 p.m. on Saturday, July 14 at the Heaps Peak Transfer Station in Lake Arrowhead. Additionally, resident can call (800) 645-9228 toll free for more information about hazardous waste disposal options.

Call Code Enforcement at (909) 387-4044 for more information about the cleanup on Saturday.
